

THEOLOGY OF THE BODY *for Teens*

Young Catholics are surrounded by influences that challenge their faith and morals every day. These challenges call for more than a “do this, don’t do that” approach to catechesis. Teens desire truth and understanding about who they are, their purpose in life, and what will ultimately bring them happiness.

A New Language for a New Generation

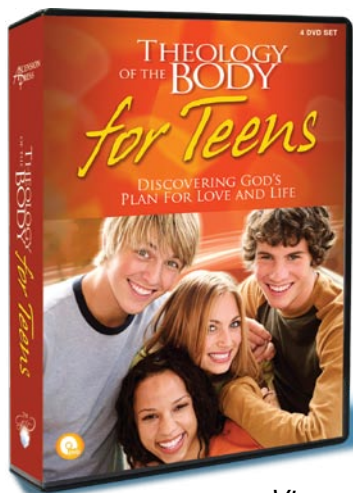

Theology of the Body for Teens presents the two hottest topics on the planet—God and sex—and “marries” them through Pope John Paul II’s compelling vision for love and life. Using a great mix of stories, real-life examples, activities, prayers, and references to the culture that teens understand, *Theology of the Body for Teens* answers the questions teens have about their own bodies, issues on sexual morality, and how they were uniquely created for greatness.

Theology of the Body for Teens answers questions such as:

- Why did God give us our sexual desires?
- What is the difference between love and lust?
- Can Christ bring healing to me if I’ve already “messed up”?
- How far is “too far”?
- How can teens remain pure in our oversexed culture?
- Is there any hope for overcoming lust and pornography?

Theology of the Body for Teens is designed to be easily integrated into Catholic high school or parish youth ministry settings.

A brilliant curriculum. It is so successful because it speaks to teens without sacrificing the beauty and power of the message.

A MARRIAGE PREPARATION SUPPLEMENT BASED ON THE THEOLOGY OF THE BODY

God's Plan For a Joy-Filled Marriage is a marriage preparation supplement that offers engaged couples a more compelling presentation of God's glorious plan for marital love than perhaps any program available in the Church today.

Based on Pope John Paul II's Theology of the Body, this supplement need not replace current diocesan or parish programs. Rather, it is intended to enhance a key component of marriage preparation: catechesis in the theology of marriage and the gift of human sexuality.

God's Plan for a Joy-Filled Marriage can be implemented as a one-day seminar or over multiple evenings.

"My fiancée and I have grown and deepened our love and commitment to Christ more from this class than in our whole relationship."

—Steve S.

"If my fiancée and I had learned these teachings of the Church on sexuality sooner, we would never have become sexually active."

—Mark M.

Introduce *God's Plan for a Joy-Filled Marriage* into the current marriage program or preparation offered by your parish or diocese. To learn more about this program or to discuss questions you may have, please call us at 1-800-376-0520 or visit www.JoyFilledMarriage.com.
