Annulment Information Sessions

I could not believe my marriage that was meant to last a lifetime was over. I tried so hard, for so many years. Why hadn't my prayers been answered? What would become of my family? I felt I was no longer a "good Catholic." It was in the annulment process that my Church helped me reflect on my marriage and provided me the opportunity to experience healing."

In ministering to those who are divorced, we have the opportunity to witness to God's love and faithfulness to those who experience the trauma of marriage breakdown and also experience God's healing as it takes place in their lives. In response to the invitation in the January Parish Mailing we have received requests from over twenty parishes to host these sessions.

The following sessions are scheduled for 2008. Unless indicated, all begin at 7pm.
