*Catholic Divorce Ministry*

is the ministry of the North American Conference of Separated and Divorced Catholics, Inc., sanctioned by the U.S. Conference of Catholic Bishops and working since 1974 to create a network of support for families experiencing separation and divorce. Through our membership on USCCB's National Catholic Organizations Committee, CDM speaks to the Church with the united, collective voice of separated and divorced Catholics. Through our Central Office, conferences, member groups, ministry leadership training, resources, and liaisons with church and civic organizations, CDM has substantially improved the entire family's experience of divorce by addressing the religious, emotional, financial, and parenting issues relative to separation, divorce, and remarriage.
